## 2010 WEDDING PRICE LIST

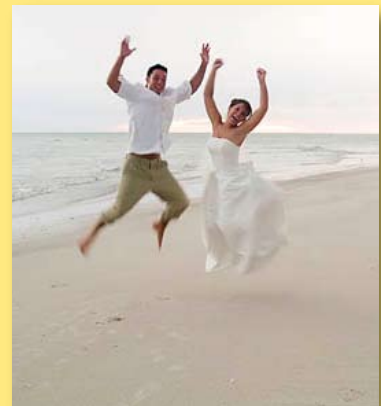

I offer one affordable package that becomes the foundation for anything you could possibly dream of for your wedding photography. All the bells and whistles are still available, but you can decide which of these options you want after your wedding, and after you've seen your photographs. This way, you are never locked into irreversible financial decisions before your ceremony.

### **My wedding photography package includes:**

- Free engagement photo session at a location of your choice within the Cincinnati/Dayton area.
- Eight+ hours of coverage on your wedding day. I won't charge more if you go over a bit.
- One or two photographers, depending on the need. You only pay for one; never an extra charge for two.
- Free, private online wedding gallery, where you and your guests can view and order photos.
- \$150.00 credit toward wedding photos.
- A DVD containing high-resolution images of your wedding day, and a copyright release that allows you to have prints made anywhere you choose.

**WEDDING PACKAGE INVESTMENT**

**\$1675.00**
